

# NOTICE OF PUBLIC MEETING

The Texas Department of Transportation (TxDOT) will conduct a Public Meeting concerning design modifications to Interstate Highway 635 (I-635) from Luna Road to United States (US) Highway 75 (I-635 West Section) and to I-35E from Loop 12/Northwest Highway to Valwood Parkway (north of I-635). The design modifications for I-635 occur along the project corridor for approximately nine miles through the cities of Farmers Branch and Dallas, Dallas County, Texas. The design modifications for I-35E occur along the project corridor for approximately three miles within the cities of Farmers Branch and Dallas. The purpose of the Public Meeting is to present the design modifications that have occurred since the Federal Highway Administration issued a Finding of No Significant Impact (FONSI) for the Loop 12/I-35E project Environmental Assessment (EA) in December 2002 and the I-635 West Section EA in April 2004.

**Who: The Texas Department of Transportation invites all persons to attend**

**What: Public Meeting will be an Open House format with no formal presentation. You are encouraged to attend and provide your input**

**When: Thursday, November 16, 2006  
Open House 4:00 PM to 8:00 PM**

**Where: Doubletree Hotel, 4099 Valley View Lane, Dallas, Texas 75244**

The design modifications for I-635 involve modifying the construction limits of the subsurface Managed High Occupancy Vehicle (HOV) Lanes. The design modifications involve shifting the limits of each construction method and implementing a Managed HOV Lane System that is compatible with the North Central Texas Council of Governments regional policy concerning Managed Lane Systems. For the I-635/I-35E interchange portion of the project, there are no design modifications to the location or size of the proposed design from Loop 12/Northwest Highway to the I-635/I-35E interchange. Instead, the modifications involve operating the proposed direct connection ramps as interim Managed Lanes until the I-35E/I-635 interchange is fully constructed.

Written comments may be presented at the Public Meeting. Written comments submitted after the Public Meeting may be presented either in person or by mail to: Mr. John Hudspeth, P.E. at the Texas Department of Transportation, P.O. Box 133067, Mesquite, Texas 75313-3067. Written comments submitted after the Public Meeting must be postmarked on or before Monday, November 27, 2006, to be included in the Public Meeting record.

P.O. Box 133067  
Dallas, TX 75313-3067

Persons interested in attending this meeting who have special communication or accommodation needs are encouraged to contact TxDOT Dallas District Public Information Office at (214) 320-6100 at least two working days prior to the meeting. Because the public meeting will be conducted in English, any request for language interpreters or other special communication needs should also be made at least two working days prior to the meeting.
