

## **IH 635 Managed Lanes Project Public Meeting**

**November 16, 2006  
TxDOT - Dallas District**

Welcome to the Texas Department of Transportation's November 2006 Public Meeting regarding updates to the I-635 LBJ Managed Lanes Project. As you may be aware, some exciting things have been going at TxDOT and in the region with respect to delivery of major corridor projects and the incorporation of the private sector as true partners on these projects.

We are pleased to present to you a brief slideshow of what's happening on the I-635 Managed Lanes project.
